### GOBELIN BILDER Handmade in Germany.

Die in spezieller Webtechnik hergestellten Gobelinbilder sind in Handarbeit aufwendig auf eine mit Schaumstoff bezogene Holzträgerplatte verarbeitet und dienen dank ihrer Größe auch hervorragend als Schallschutz und Akustikdämpfer. Die Motive stammen von den bekannten Fotokünstlern Mario Gerth, Steve McCurry, Alison Wright und Serge Anton.

### GOBELIN WALLHANGINGS Handmade in Germany.

The Gobelin wallhangings produced using a special weaving technique are elaborately handcrafted on a wooden frame covered with foam. Because of their size, the Gobelin wallhangings serves as an excellent soundproofing and acoustic dampers. All motifs are from the famous photo artists Mario Gerth, Steve McCurry, Alison Wright and Serge Anton.

### TAPISSERIE GOBELIN Handmade in Germany.

Les tableaux de tapisserie produits à l'aide d'une technique de tissage spéciale sont minutieusement fabriqués à la main sur une plaque de support en bois recouverte de mousse et, grâce à leur taille, servent également d'excellente insonorisation et d'amortisseurs acoustiques. Les motifs proviennent des artistes photo bien connus Mario Gerth, Steve McCurry, Alison Wright et Serge Anton.
